

SHAWNA SCHMIDT, CID, LEED AP

INTERIOR DESIGNER

Shawna Schmidt traded a criminal justice career in Nebraska for a life of interior design in Virginia, and the Hotel & Home team is thrilled she did. Since earning her degree in Interior Design and joining Glavé & Holmes four years ago, she has blossomed into a meticulous project manager, a steward of client resources, and a careful, considerate, and thoughtful designer. She has additionally found time to earn her NCIDQ certification. Shawna has easily mastered the challenge of balancing the needs and schedules of her hospitality clients and is known for her strong management skills, continually bringing in projects on time and under budget.
